# Daily Number Revision

# AWS Data Projector Versions

## Information Booklet

The **7 Daily Number Revision** resources which combine the ...

**NUMBER STRAND OBJECTIVES**

with the

**FOUR BASIC NUMERACY SKILLS**

of

**ADDITION SUBTRACTION MULTIPLICATION DIVISION**

have now been  
**REVISED**

in line with the Numeracy Project.

Adding & subtracting layout now across, not in columns!

Each resource contains 150 sets of mini activity sheets. Enough for one set a day for 30 weeks of the year.

Why use such a resource?

For pupils to succeed in mathematics, it is important that the NUMBER STRAND OBJECTIVES and the basic numeracy facts are learnt at the earliest possible time.

If pupils can recall the Number Strand & basic numeracy facts with accuracy, speed and confidence, then success in all other areas of mathematics will follow.

▣ *MY PERSONAL GUARANTEE* ▣

ALL resources will be supplied on the understanding that if YOU are not completely satisfied with your selection, you have TEN DAYS to return the resources for an exchange, a credit or a full refund.

A Complete Guide to ...

# Daily Number Revision

A Skills Mastery Programme available for Years 2 to 8

NEW Data Projector versions

This series is available as ....

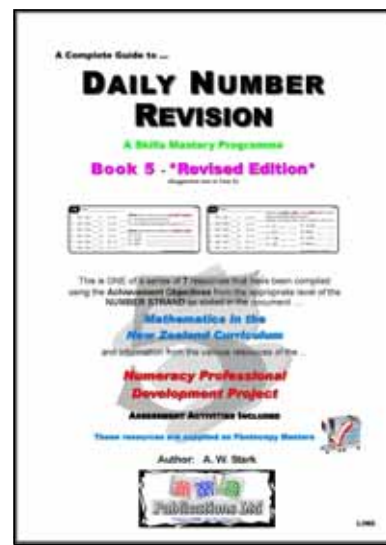

- **Photocopy Master Versions (Book & PDF)**
- **NEW Data Projector Versions**
- **Student Workbook Versions**

### Resource Info:

The 'Daily Number Revision' Series of resources provide a systemic revision programme covering the NUMBER STRAND OBJECTIVES for Levels 1 to 4 as written in the *Mathematics in the New Zealand Curriculum* & supports the Numeracy Project.

### Features common to all resources:

- ◆ ALL 7 resources are supplied as **BLACK-LINE PHOTOCOPY MASTERS**.
- ◆ Notes on how to utilise each resource and **ideas on assessment**.
- ◆ **Contents Page** indicating which *Number Strand Objective* is being covered on each activity sheet.
- ◆ **30 A4 sized sheets** per resource, each with **5 sets of questions** per sheet covering a specific *Number Strand Objective*, plus the **FOUR Basic Numeracy Skills**.
- ◆ A series of **FOUR Parallel Assessment Sheets** appropriate to the Number Strand Objectives / Numeracy Facts for Levels 1 to 4.
- ◆ **Answers** included for Books 2 to 7, allowing pupils to 'self-mark'.
- ◆ **Teacher Record Sheets** designed for teachers to **record pre / post assessment results**, therefore tracking individual pupil's progress. These sheets could be added to the pupil's accumulative records.
- ◆ **Merit Award and Certificate of Achievement Master** designed to enable teachers to give pupils positive feedback as progress is made.

**Note:**  
This table suggests the year group that each resource could be used at.

Resource	Resource Code	Suggested Year Group
Book 1	L1N1	Years 1 / 2
Book 2	L2N1	Year 3
Book 3	L2N2	Year 4
Book 4	L3N1	Year 5
Book 5	L3N2	Year 6
Book 6	L4N1	Year 7
Book 7	L4N2	Year 8

## Front Pages & Home Pages for each PDF look like the following ...

There are 150 Activity Worksheets in the full version of this resource.

The sample version contains the first FIVE worksheets only.

Having selected a worksheet (1 to 5) from the HOME PAGE, a worksheet will appear (See pages 3 to 5).

Coloured ARROWS link pages together. Click on the arrow to move between pages in the direction of the arrow.

### Daily Number HOME PAGE

On the Daily Number Home Page, click on the ARROW to go back to the cover page or on the Worksheet number you require.

## 150 Daily Number Activity Worksheets:

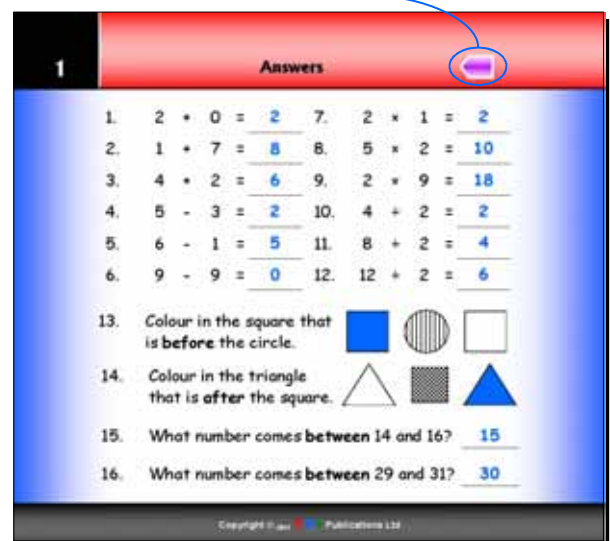

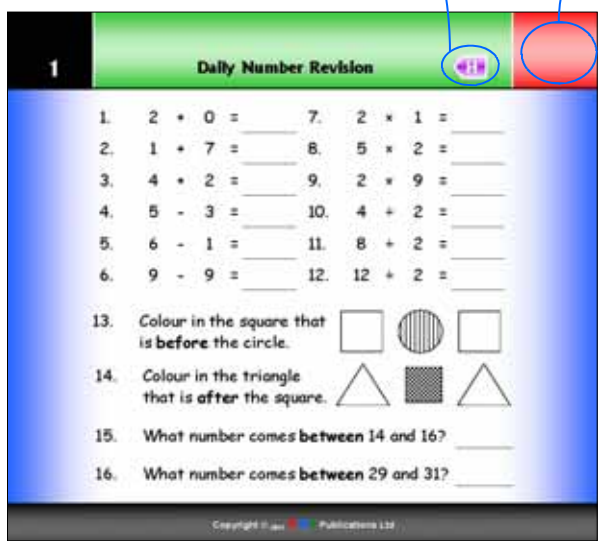

There are 150 Daily Number Activity Worksheets in the full version of this resource.

The sample version contains the first FIVE worksheets only.

Having selected a worksheet (1 to 5) from the HOME PAGE, a worksheet as below will appear.

Clicking on the H Arrow links back to the HOME PAGE.

Clicking on the RED square links to the answers. The Pink Arrow links back to the worksheet.

**FULL SCREEN VIEW:** When the PDF is open, push 'Control & L' keys for full screen view  
To go back to normal screen view, push the 'ESC' key on your keyboard.

## What's next from AWS Publications Ltd?

Work has started on re-writing all my In-Class Curriculum Worksheet resources (i.e. Resource codes: L1MN to L5MS) to bring them into line with the recent New Zealand Mathematics Curriculum changes.

All new resources will be available in book, PDF version and Data Projector versions.

If you are interested in these new resources and would like to be kept informed about progress, please let me know.
